SPRING MEDICINE

Needed by Nearly Everpbody.

In the spring months the necessity of a good blood-purifying, strengthening medicine is felt by the large majority of people. During the winter various impurities accumulate in the blood, as a consequence of close the blood, as a consequence of close fire-proof warehouse, confinement in poorly ventilated tene ments, stores and work shops, or too high living. Therefore, when the milder weather comes, the blood is unable to sustain the various organs of the body which need additional benuis West, wife beating, fined strength, and the consequence is "that tired feeling," biliousness, sick headache, possibly dyspepsia pearance of some blood disorder.
